STATE BALLOT ISSUES

Keep Existing School Meal Funds

A "yes" vote means the state can keep and spend all revenue from the 2022 school-meals program instead of refunding any excess to taxpayers

More Support for Healthy School Meals

A "yes" vote means the state can limit tax deductions for high-income earners to raise about \$95 million a year for the Healthy School Meals for All program

Voces Unidas Action Fund endorses candidates for public office who are aligned 100% with our values and will champion issues important to the Latino community.

We also take positions on ballot issues where we have a policy interest. We do not support initiatives that disproportionately impact working families.
